

Dear Chairman Abney and Members of the Committee,

On behalf of myself, and as a constituent from South Kingstown, I write in strong support of H8171, the Food As Medicine Pilot Program Act.

This legislation establishes a Food As Medicine Task Force to guide a targeted Medicaid pilot program. It builds on existing programs in Rhode Island and ensures future investments are data-driven and fiscally responsible

I respectfully urge the committee to support and pass H8171.

Sincerely,

George Helwig
