Subject: H-7123—FY 23 Budget Proposal from Governor

My name is Robert Antonelli and a resident of Rhode Island. I retired from the US Army with the rank of Master Sergeant. I ask for your support in the Governor's proposal for eliminating state income tax on military pensions. Eliminating the state tax on military pensions is long over due and, by supporting this retirees would not consider moving to other states to eliminate the income tax.

Please give this your utmost consideration.

Respectfully,

Robert Antonelli, MSG (USA Retired)
