Subject: Testimony in favor of article 6, Taxation

Hello, let me introduce myself. My name is Heidi Murray and I am the wife of an Army veteran. I'm writing to express my support in favor of the proposal for Article 6, Taxation.

Having supported my husband's military career my children and I have made many sacrifices for this country, moving from military post to post, being separated from our families, separated from husband and father at times for months on end. I have taken care of Soldiers and their families volunteering endless hours. Now, it's time for Rhode Island to take care of its Veterans and their families!
