Hello Health & Human Services Committee:

I am writing in solid support of H7442. As a Registered Nurse in RI since 1997, and we know this is THE smallest state in these United States, this should have been a thing a long time ago. And recently I was changing jobs, which meant I also paid for a separate license in MA, as well as CT. These are all very closeby! This is a long overdue move to something useful for us that work in healthcare.

Thanks, Stacey J Capizzano, 172 Veazie St, Providence
