Subject: Support for Bill H-5351

Attention Clerk Steve Sepe,

I am writing to express my support for Bill H5351. As both a patient and a close friend of the nurses at Citrine Aesthetics in Cumberland, Rhode Island, I can personally attest to their trustworthiness, honesty, and exceptional skill. These providers have extensive certifications, knowledge, and experience, making them more than qualified to perform the services they were trained to provide. They deserve the opportunity to continue their work and offer the high-quality care their patients rely on.

Thank you for your time and consideration.

Sincerely,
Ayla Dion
