Subject: Support for Bill H-5351

To Whom it May Concern,

I am writing to express my support for Bill H-5351, which is vital for the future of licensed aestheticians in Rhode Island. As a consumer of aesthetic services, I believe this bill will help ensure higher standards of care and better protection for both consumers and professionals in the industry.

Please support the passage of this bill to benefit the safety, education, and well-being of Rhode Island's beauty and wellness community.

Thank you for your time and attention.

Sincerely,

Brianna Ferrante
