

Hello,

Thank you for your continued support of The Laser Lounge. I am reaching out to you for help in support of companion bills H-5351 that propose all medical professionals and aesthetic professionals in Rhode Island may continue to work and delegate to the full extent of our practice. The RIDOH is attempting to limit the access of services that you have been receiving from your current aesthetic provider. Resulting in losing your right to choose your provider and the state you receive services along with an increase in cost. The RIDOH guidelines are limiting the growth of aesthetic care in our state without increasing safety.

What concerns led you to seek treatment with The Laser Lounge and what treatments did you receive? How long have you been a client of The Laser Lounge?

I contacted The Laser Lounge for Laser hair removal. I have been a client for 7 years.

Describe your experience with The Laser Lounge, what aspects of our services stood out to you during your treatment? What do you like best and would you recommend The Laser Lounge?

My experience was great. Holly explained everything she was going to do for my procedure. What I liked best about my experience at The Laser Lounge was how friendly and educated Holly is and made me feel really comfortable. Yes I would highly recommend The Laser Lounge.

Do you feel as if The Laser Lounge listens to your concerns and answers all your questions? Do you feel that we worked with you to develop a treatment plan rather than feeling rushed?

Yes I feel The Laser Lounge listened to my concerns and yes answered all my questions. My treatment plan that was offered was great and worked a great schedule.

How would you rate the effectiveness of the treatment and care you received? Do you feel you received safe care?

I love the results I received from The Laser Lounge. Yes I received safe care.

I do not want to lose my right to choose my provider. I wish to continue to receive my treatments at The Laser Lounge.
