Dear Clerk Steve Sepe and Members of the Rhode Island Department of Health,

I am writing to express my strong support for Bill H-5351. My extended family has owned a medical aesthetics practice in Rhode Island for nearly 20 years, employing highly skilled nurse practitioners, nurses, and estheticians who provide exceptional care within their scope of practice.

This bill is crucial to ensuring that these licensed professionals can continue offering the services that so many patients rely on. By supporting H-5351, you are helping to protect their ability to practice and maintain the high standard of care that Rhode Islanders deserve.

I urge you to vote in favor of this bill and appreciate your time and consideration on this important matter.

Sincerely,

Greg Kehoe
