Attention: Clerk Steve Sepe,

My name is Helen Roy, and I am a senior citizen in the state of Rhode Island. I have been a patient at Citrine Aesthetics in Cumberland, where I have received exceptional care for my skincare and wellness needs. The treatments I have received have exceeded my expectations, and I have always been more than satisfied with the results.

I strongly support their ability to continue providing these services, as they are a trusted and valued part of my healthcare routine. I want to see them remain in business so that patients like myself can continue receiving the high-quality care they provide.

Thank you for your time and consideration.

Sincerely,
Helen Roy
