To whom this may concern,

I am writing to express my strong support for Bill H-5351. As an employee at SkinSociety, I am deeply concerned that if this bill does not pass, I could potentially lose my job. This bill is critical for not only my livelihood but also for the ability to have a choice in my aesthetic provider.

Lexi, Kristina and I, along with many others, believe in the importance of ensuring that professionals in the field are able to continue providing high-quality care and services to our clients. I fully support this bill and its intent to secure the future of our industry and our jobs.

Thank you for considering my views, and I hope that you will vote in favor of this important bill.

Sincerely,  
Jacqueline DeSousa
