Steve Sepe,

Paige's professionalism has truly made a difference in my experience at FirmMD. Her expertise, attentiveness and positive attitude have not only made me feel valued but have also boosted my confidence. Knowing I was in such capable hands allowed me to trust the process and feel reassured every step of the way. I deeply appreciate her dedication and the sense of ease she brings to her work. If the bill does not pass it would greatly affect me. I would lose my provider and medical facility of choice. It's very difficult to find a skilled, professional that you can trust. Please consider passing Bill H-5351.

Sincerely,
Jennifer Buckley
