Subject: Bill H5351

To Whom It May Concern,

My name is Jo-Ann Tousignant, and I am writing in strong support of Bill H5351. I have been a long-term patient at a nurse-owned medical spa in Rhode Island, (Citrine Aesthetics) where I have received exceptional injectable treatments. The care and professionalism of my providers have exceeded my expectations, and I have always felt comfortable and safe in their hands.

This small business is a vital part of my community, and I would be deeply disappointed if I could no longer receive treatments from the providers I trust. I strongly urge you to support this bill to ensure that qualified nurses can continue offering these essential services.

I hope my voice is heard. Please feel free to contact me with any questions.

Sincerely,
Jo-Ann Tousignant
