Hello,

My name is Kelsey Morgan and I am a patient of Julia Horan at Radiant Esthetics Med Spa in Newport, RI. After many years of being under a plastic surgeons care for my injectable treatments, I finally found Julia Horan, a well trained, smart, attention to detail nurse practitioner who not only treated me better than the doctor did, but gave better results. I trust Julia and only Julia for my med spa needs. She is more than qualified to be working with these types of substances and this is why I am in support of Bill H-5351

Thank you for your time,  
Kelsey Morgan
