Subject: Support for Bill H-5351

Hello, my name is Megan Ebert, and I have been a long-term client at Citrine Aesthetics Med Spa in Cumberland, Rhode Island. I have trusted these providers for many years and have always been extremely satisfied with the services they offer.

I understand there have been recent limitations on their scope of practice regarding injectable treatments, and I would like to express my strong support for allowing them to continue providing these services. They are highly skilled, knowledgeable, and qualified in their field. I always feel safe, heard, and confident in my results.

I fully support this bill and want to ensure that I can continue receiving care from the providers I know and trust.

Thank you for your time and consideration.

Best,
Megan Ebert
