Subject: I Support Bill H-5351

Dear Steve Sepe,

I am a RI resident. I live at 26 Stanton Road, Portsmouth, RI 02871. I am writing to voice my support for Bill H-5351. I have been a patient at a Medical Spa in Portsmouth that provides many of my skin care needs. For the past decade I have been very happy with the services I have received from the owners/employees of this Medical Spa. I would be very unhappy if I had to move to another location if this Bill does not pass. I would have to start over with an entire group, unsure if they would know how to handle my concerns not to mention the cost would most likely go up.

Please support Bill H-5351 so that myself and others can continue to utilize the services of our known and trusted Skin Care Teams.

Sincerely,

Paige Goulart
