Subject: I Support Bill H-5351

Dear Representatives Jacquelyn Baginski and Donna Policastro;

I am writing to express my strong support for Bill H-5351 and to urge you to support it as well.

As Kristina Tasca's uncle, I have seen firsthand the dedication, hard work, and expertise she brings to her profession. Kristina is not only a highly qualified provider, having spent years in nursing school and attending extensive training, but she is also a hardworking mother of three children—all under the age of three. Despite the demands of both her career and family, she has built a successful spa that showcases her professionalism and passion for patient care.

I trust Kristina completely and want the ability to choose her as my provider. She has the training, experience, and work ethic necessary to provide top-quality care, and she should have the opportunity to practice to the full extent of her abilities.

Please support Bill H-5351 and ensure that skilled professionals like Kristina can continue to serve their communities.

Thank you for your time and consideration.

Best regards,

Richard P. Telesmanick
