Subject: Support of Bill H-5351

Clerk Steve Sepe,

I am writing to you to show my support for Bill H-5351. I currently own a medical practice and two aesthetics practices.

The aesthetics practices are in Massachusetts and Rhode Island. I have NP's and RN's that perform outstanding service and are followed by a multitude of clients. If this bill is not passed, I will have to close up my practice in RI and consolidate everything in Massachusetts. Unfortunately, there will be several employees who will not have a job and as I cannot accommodate all.

This will also cause a delay of care for patient's seeking treatment and care for skin concerns.

Sincerely,
William Thornson, Major, USAF (Ret), MHA, PA-C
