Dear Clerk Sepe,

I am writing to express my strong support for Bill H-5351. I have been a patient of Noelle Fiontella at Rhodys Ageless Beauty for the past year, and I have come to trust her both personally and professionally. She is never pushy, always informative, and ensures that I feel comfortable and confident in my treatment choices.

I support this bill because I want to continue receiving care from the provider I trust. No patient should be forced to go elsewhere when they have already built a relationship with a knowledgeable and skilled professional. Please support Bill H-5351 to protect patient choice and access to experienced providers like Noelle.

Thank you for your time and consideration.

Sincerely,

Amanda Laezza
