Dear Representatives,
This bill, HB 5861,

Is being submitted prematurely. The Rules and Regulations of the Certified Lactation Counselors have not yet been posted, making their Scope of Practice unclear per the RIDOH. There also has been no public comment yet posted on the CLC licensing bill. This bill ,HB 5861, needs to be deferred until the licensing requirements are completed and gone through all the proper channels.

Thank you for your consideration,
