My name is Cheryl Pagano and I live in Cranston. I am writing to you today about bill H6088 which allows a certified foot care nurse or a certified foot care specialist to provide certain at-home foot care, including routine foot and nail care including nail clipping.

I support this bill because I have two parents who in their 90s who are unable to safely leave the house due to illness and injury. Without this service, a lot of elderly people in the state of Rhode Island are going without much needed care. Please reconsider for the sake of our elderly population in Rhode Island. Thank you for your consideration of this very important bill H6088.

Sincerely,

Cheryl Pagano
