Subject: Bill H6088

Dear Members of the House Health and Human Services Committee,

My name is Judith J. Caires and I live in Warwick, RI. I am writing to you today about bill H6088 which allows a certified foot care nurse or a certified foot care specialist to provide certain at-home foot care, including routine foot and nail care including nail clipping. I support this bill because as a caretaker of a Parkinson's patient, this service is badly needed. I care for my best friend in my home. She's had Parkinson's for several years and is at the point she can no longer get of the house. She's on blood thinners which means nail care for her feet needs the service of a nurse or CNA.

Please consider this Bill in a positive vote.

Thank you,
