Dear Chair Donovan and Committee Members,

I am testifying in support of House Bill 5857, the Reproductive Freedom and Gender Affirming Care Health Data Privacy Act, as a board certified physician practicing in community health in RI. This bill is an important step to protect sensitive consumer health data related to reproductive and gender-affirming health care. This is urgently needed following the overturning of Roe.

Thank you for your support to this important and timely bill.

Sincerely,  
Daisy Bassen, MD DFAACAP
