Subject: Testimony in Support of H-5857

Dear Chair Donovan and Esteemed Committee Members:

I urge you to support H-5857: Reproductive Freedom and Gender Affirming Care Health Data Privacy Act.

I am testifying in support of House Bill 5857, the Reproductive Freedom and Gender Affirming Care Health Data Privacy Act. This bill is an important step toward protecting sensitive consumer health data related to reproductive and gender-affirming health care. This protection is urgently needed following the disastrous overturning of Roe.

Thank you for your support to this important and timely bill.

Sincerely,

Helen M. Duffy
