**Subject:** Testimony in Support of H 5857

**Dear Chair Donovan and Committee Members,**

**I am testifying in support of House Bill 5857, the Reproductive Freedom and Gender Affirming Care Health Data Privacy Act. This bill is an important step to protect sensitive consumer health data related to reproductive and gender-affirming health care. This is urgently needed following the overturning of Roe. It's even more urgent now that the trump administration is threatening to use medical records to track specific populations in this country.**

**Thank you for your support to this important and timely bill.**

**Sincerely,  
Honore Ford
