Subject: Testimony in support of H 5857

Dear Chair Donovan and Committee Members,

I am testifying in support of House Bill 5857, the Reproductive Freedom and Gender Affirming Care Health Data Privacy Act. This bill is an important step to protect sensitive consumer health data related to reproductive and gender-affirming health care. This is urgently needed following the overturning of Roe. We must do everything in our power at the state level to protect our citizens and their rights to care and privacy.

Thank you for your support to this important and timely bill.

Sincerely,

Jordan wolfe
