Dear Chair Donovan and Committee Members,

I am testifying in support of House Bill 5857, the Reproductive Freedom and Gender Affirming Care Health Data Privacy Act. This bill is an important step to protect sensitive consumer health data not only related to reproductive and gender-affirming health care but protecting the confidentiality of medical information. This is urgently needed following the overturning of Roe.

Thank you for your support to this important and timely bill.

Warmly,  
Rayna Franklin
