Dear Chair Craven and members of the House Judiciary Committee,

I have sent this message to urge you to support House Bill No. 6624. This bill, by Representative House Judiciary Committee member Corvese, creates the “animal abuser registry act”, which would require all persons convicted of felonies involving animal abuse to register with an online registry to be established and maintained by the Department of Public Safety.

This would be an extremely useful tool for the prevention of repeat animal abuse by the same offenders, either toward the same or different animals.

Please support this legislation when it comes before you for a vote.

Sincerely,

David A. Brunetti
