> Dear Representative Casimiro,
>
> Parental rights need to be protected in Rhode Island. That's why I ask you to vote yes on HB 7138.
>
> As government has grown larger, it has encroached on the rights of parents and claimed authority
over what kids should be taught on many highly sensitive and controversial issues. That is why parents
are showing up at school boards across Rhode Island and speaking up in defense of their parental rights.
>
> HB 7138 reaffirms those rights and is very much needed in our state.
>
> As a constituent, I am asking you to protect parental rights by voting YES on HB 7138.
