Hello, I am writing regarding the committee meeting to take place Tuesday February 27th.

regarding H7051 & H7098, why? Where is there a study referencing that these would help with reducing gun violence, which I'm assuming is the goal of these. Please do not pass these.

H7216 & H7316, I oppose. This does not help the average person.

By contrast, I firmly support H7450 & H7453, these make sense & actually protect people (and constituents!).

Not sure about H7576, isn't that covered by LEOBOR?

thank you & see you tomorrow,
