Dear Esteemed Representatives,

I write today about House Bill 7051. Please vote No on this bill.

Although I understand why someone thought this bill was a good idea, I don't believe that person understood the impact of this bill. This bill will shut down Rifle and Pistol clubs that have been safely operating in some cases, for centuries.

Newport Rifle Club is the longest operating rifle and pistol club in our country, it will be shut down. Warwick range, which is used by the Warwick PD for all firearms training, as well as Warwick citizens will be shut down.

If this bill were to move forward, grandfathering needs to be in place to allow all of our established clubs to not be impacted.

Thanks so much for your time,

Michael Day
