**Subject:** Oppose H7051

To Chairman Craven & members of the House Judiciary Committee:

I oppose H7051. This is an attempt by other means to restrict shooting by restricting shooting ranges. It appears all that would be needed to close down a range, should this bill go into effect, would be to locate a school or kindergarten close to a range, at which point it would not be able to operate. It also would be an attack on small business.

Please oppose H7051.

Sincerely,
