I am writing in support of House Bill 7216. This bill will help law enforcement to solve crimes and better track the movement of firearms. As a mother and a proud Mt. Hope resident, I am in favor of any bill that will keep my family and community safe. I cannot imagine the suffering family members endure when they are unable to have closure on a crime committed against a family member, we can help by passing this bill. On behalf of my four year old son, and our community as a whole, I urge you to pass this bill.

Sincerely,
Gillian Slovic
