Honorable Members of the House Judiciary Committee-

Rhode Island voters support the Health Care Provider Shield Act and want a floor vote this year! I urge you to please vote YES on H7577 when it comes before the House Judiciary Committee. This Act will provide needed protection for patients who require reproductive and transgender healthcare. Rhode Island healthcare providers should not be subject to legal repercussions for providing the medical care and treatment they are trained, employed and relied upon to provide!"

Thank you for your time, your representation and your service.

Respectfully,

Amber Ward
