Subject: PASS H7577 Out of Committee Today!

Follow Up Flag: Follow up
Flag Status: Completed

Rhode Island voters support the Health Care Provider Shield Act and want a floor vote this year!

Please, vote YES on H7577 when it comes before the House Judiciary Committee. This is about protecting patients who need reproductive and transgender healthcare, and our providers who do not deserve legal repercussions for providing treatment they are trained for!

Massachusetts, Connecticut, and most recently Maine (among others), already afford their healthcare workers these protections.

Let's join our neighboring states in protecting our healthcare providers and let them know we want them to keep practicing in Rhode Island!
