Dear Chairperson Craven:

I am writing in **strong support of H7577**, the Health Care Provider Shield Bill. I am a Providence resident.

As Rhode Islanders, we pride ourselves on developing legislation and policies that are rooted in established, best-practice, evidence-based medicine. Other states across the country are enacting bans on essential health care. It's important that we defend our health care delivery system in Rhode Island. I stand with our health care providers and their patients in support of this important legislation.

Thank you for your consideration.

Sincerely,

Ellen Cynar  
Providence, RI Resident
