Greetings:

My name is Claudia Townend. I live at 20 Oak Ridge Rd. in Charlestown, RI 02813. My representative is Trisha Spears.

I am writing in support of life-saving bills in the state of Rhode Island. Please release bill number 7373 for secure storage of weapons and bill 7217 The assault weapons ban for a vote!

I support second amendment rights. I am not saying people can't own a gun. I'm just saying Control the type of gun people can own .

We have the obligation to protect public health and safety !

Have courage. Look yourself in the mirror and do the right thing. Don't let the bullies with the little penis syndrome push you around.
