Chairman Craven and Members of the House Judiciary::

My name is Rich Streitfeld, from Providence. I am Treasurer of the Rhode Island Coalition Against Gun Violence.

I am in full support of Rep. Caldwell's secure storage bill, 7373, and Rep. Knight's assault weapons ban, 7217.

I think we all know what a disgrace and embarrassment gun violence is in the United States. I do not need to reiterate the arguments. You know what to do--

JUST PASS THE DAMN BILLS OUT OF COMMITTEE, PLEASE!
