N. Scituate, RI 02857

RI House District 53

March 11, 2024

Dear members RI House Judiciary Committee:

I am contacting you to voice my opposition of House Bill 2024-H7217. This bill does not prevent a criminal from obtaining or possessing what this bill considers an assault weapon. It will only prevent lawful citizens from acquiring firearms that other citizens have via a grandfather clause.

Respectfully submitted,

Joseph R Graf
