Follow Up Flag: Follow up
Flag Status: Completed

> Good evening,

>

> I have read the book by David Harter and it sickened me. I have also personally met Lisa Harter Pettit and have spoken with her at length.

> No child should have to suffer the horrendous abuse those children and their now deceased sister had to suffer.

> The scars they have to deal with, emotionally, mentally, and physically, are lifelong.

> I believe abusive parents should be held accountable for their abuse long after the fact.

> There is no statute of limitations on the suffering caused, why should there be any on the consequences?

> I am in full support of this bill and urge you to do whatever it takes to pass it.
