Subject: Opposition to bills on upcoming House hearings

Hello House Judiciary Clerk;

My name is Michael Guilmain and I live in Scituate, RI. I am writing to you today to state that I Oppose bill HB 7216. This is not a safety bill, this is a backdoor registration scheme. Based on the definitions, any gun even suspected, with no evidence, of being involved in or present during any crime can be taken and logged into a database. The only valid option would be to redefine a crime gun as a gun used in a crime only AFTER the criminal has been charged, tried, and convicted.

I would be happy to discuss this with you further in more detail, please feel free to reach out to me.

Sincerely,
Michael Guilmain
