To: Chairman Robert Craven, Sr. and members of the House Judiciary Committee

From: Matthew Baldwin McCoy

Subj: House Bill No. 5130 (Boylan)

1. I am writing in support of House Bill No. 5130 sponsored by State Representative Jennifer Boylan and co-sponsored by you and State Representatives Knight, Tanzi, McEntee, Dawson, Cruz, Ajello, Caldwell, and Felix.
2. I believe that the definition of a "crime gun" used in the bill is appropriately defined and that the reporting requirements outlined in the bill are reasonable and not burdensome on the law enforcement agencies affected.
3. I recommend that the Judiciary Committee vote to pass this bill to the House floor recommending passage by the members of the House.

Very respectfully,

Matthew B. McCoy
