Dear Chair Craven, First Vice Chair McEntee, Second Vice Chair Knight, and Members of the Judiciary Committee,

I have sent this message to request your support of House Bill No. 5668, which would prohibit the declawing of cats by any surgical procedure to amputate or modify a portion of a cat's paw in order to remove the cat's claws. This does not apply to any procedure performed for a therapeutic purpose.

I fully support this bill, which is long overdue, and request your vote in favor of this bill once it comes in front of your committee.

Sincerely,

David A. Brunetti
