I am a longtime member of Defenders of Animals and am writing to you in regard to H-5668, which prohibits the declawing of cats by any surgical procedure to amputate or modify a portion of a cat's paw in order to remove the cat's claws. Does not apply to any procedure performed for a therapeutic purpose.

I respectfully ask that you support this important Bill. Thank you for your time and attention to this matter.

Sincerely,

Maureen Morse
