Dear House Judiciary,

My name is Zach Naiman and I work at Adoption Rhode Island and live in Barrington. This bill would have an incredibly positive impact on many of the clients that I work with and is so important to improving our communities. Giving our folks a chance to have access to their siblings, to create, strengthen or reestablish their relationships means so much in helping them know they are not alone through some of the hardest experiences of their lives. It seems like such a little ask, but it would mean the world to so many people. Please take in all the lives that this will affect and pass this bill. Thank you for your time and consideration.

Sincerely,

Zach Naiman (He/Him) | Making KINnections Recruiter | Adoption Rhode Island
