Testimony in Support of HB5674

The Alliance to Mobilize Our Resistance -AMOR- supports Representatives Giraldo, Potter, Morales, Stewart, Biah, Tanzi, and Felix that would prohibit landlords from inquiring about the immigration status of a tenant subject to any federal laws or regulation.

AMOR supports this bill because it would stop hate from impacting the housing of our immigrant families. It will help the hundred of mixed status families, children, mothers who are being threatened by their landlord.

We urge you to consider in support of Rep. Giraldo, Joshua's legislation HB5674 that prohibit landlords from inquiring about the immigration status of a tenant subject to any federal laws or regulation

Respectfully,

The Alliance to Mobilize Our Resistance -AMOR-
