Dear RI House Judiciary Committee members, I am writing in support of House bill HB5674 which prohibits a landlord from inquiring about the immigration status of a tenant. Just as the police force in Providence and other municipalities in Rhode Island have pledged not to inquire about the immigration status of a person because it is not part of the job description of the police to act as immigration officers, neither is it appropriate or necessary for a landlord to inquire about the immigration status of a tenant. I hope you will vote in support of HB5674, moving it forward to a vote by the full Senate. Thank you for taking my thoughts and opinion into consideration. Sincerely, Chris Campanile, 55 River St., Cranston, 02905 401-222-9702
