The Honorable Robert E. Craven, Sr.
House Judiciary Committee

RE: Support H-5674

Dear Chairman Craven,

My name is Dr. Caroline Hagan Webb, and I am a resident of Narragansett. I am writing to express my support for H-5674

I am writing in support of H-5674 because I believe people in this state have a right to privacy and to feel safe in their homes. Immigration status is often complicated and a source of prejudice. My sister in-law recently obtained a green card, and I would hate for someone like her to be discriminated against simply because a landlord misinterpreted her status. With recent national events like the detention of Mahmoud Khalil, who also holds a green card, it is important for Rhode Island to take a stand and protect ALL Rhode Island residents, even those who are not yet citizens.

I hope the House Judiciary Committee will pass H-5674.

Thank you for your consideration.

Dr. Caroline Hagan Webb
