To the members of the House Judiciary Committee:

As a resident in Providence Rhode Island, I am writing to express my support for House Bill 5674 which would prohibit a landlord from inquiring about the immigration status of a tenant subject to any federal laws or regulations.

This bill will help limit immigrant bias from impacting the housing of our immigrant brothers and sisters. It will also help the hundreds of mixed status families who are being threatened by their landlords. I'm concerned about those who have had or may have in the future threats made regarding deportation by their landlords.

I strongly urge the Committee to approve this legislation and protect the state's immigrant community from prejudice and bias.

Respectfully yours,
