As a Providence resident, I am writing to express our support for House Bill 5674 which would prohibit a landlord from inquiring about the immigration status of a tenant subject to any federal laws or regulations.

This bill will help stop hate from impacting the housing of our immigrant brothers and sisters. It will also help the hundreds of mixed status families who are being threatened by their landlords. As an employee of Crossroads Rhode Island for ten years, I have seen the homelessness crisis in Rhode Island grow over the past decade and now, we have heard from many Rhode Islanders how they receive threats of deportation from their landlords. This will only make the problem worse.

We urge the Committee to approve this legislation and protect the state's immigrant community from prejudice and bias.
