Subject: SUPPORT 5677, First, Last, Security

Dear Committee Clerk DiMezza,

As a single female landlord with a rental unit on my own home property this is a bill that makes sense. I want a well qualified, safe and reliable tenant, this bill would help ensure that I can find the right tenant for my rental. It makes sense for the community as well.

I support H5677 as it would allow for first, last, and security. This would make accepting lesser qualified tenants easier knowing that the last month rent would not be a loss. Often times tenants apply their security deposit to the last month rent, leaving nothing for damages. This creates a huge loss for landlords which leads to higher rental prices and the likelihood that landlords will not be apt to accept tenants who are not extremely qualified. This proposal adds balance to the market and provides possible reward for both parties. It is important to note that most states allow first, last, and security, or some variation of this law. Thank you for your consideration.

Sincerely,

Kendra Furman
